

The South Carolina Court of Appeals

William Jeff Weekley and Christopher L. Weekley, Sr.,
Respondents,

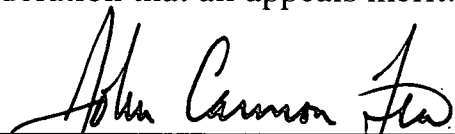

v.

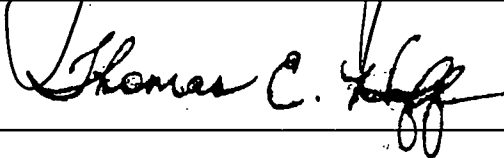

John Lance Weekley, Jr. and Marcus Earl Weekley, Sr.,
Appellants.

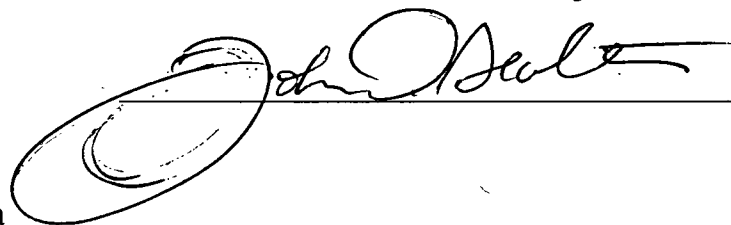

Appellate Case No. 2011-193506

ORDER

After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Further, in light of the matters raised in appellants' petition for rehearing, we would note what occurred here was an error in process and not in legal analysis or consideration by the panel. We assure the parties and counsel that the assigned panel of the court gave this appeal the same full consideration that all appeals merit. Accordingly, the petition for rehearing is denied.
