V. MEDICAID BENEFICIARIES

1. **Eligibility.** Eligibility for Medicaid-sponsored long-term care services is based on income and medical necessity. To qualify for assistance through the Medicaid program, a nursing home patient must need intermediate or skilled nursing care as determined through an assessment conducted by Medicaid program staff. The fact that a patient has already been admitted to a nursing home is not considered in this determination. It is possible that a patient could exhaust all other means of paying for nursing home care and meet Medicaid income criteria but still be denied assistance due to the lack of medical necessity.

It is recommended that all persons seeking admission to a nursing home be assessed by the Medicaid program prior to admission. This assessment will provide information about the level of care needed and the viability of community services as an alternative to admission. The Department may charge a fee, not to exceed the cost of the assessment, to persons not eligible for Medicaid-sponsored long-term care services.

2. **Covered Services.** If Resident is a Medicaid recipient, the Medicaid Program will reimburse Facility for certain skilled services ordered by a physician. Reimbursable routine services include: dietary services; activities programs; room and bed maintenance services; and customary personal hygiene items and services as required to meet the needs of residents, including, but not limited to: hair hygiene supplies, comb, brush, bath soap, disinfecting soaps or specialized cleansing agents (when indicated to treat special skin problems or to fight infection), razor, shaving cream, toothbrush, toothpaste, denture adhesive, denture cleaner, dental floss, moisturizing lotion, tissues, cotton balls, cotton swabs, deodorant, incontinence care and supplies, sanitary napkins and related supplies, towels, washcloths, hospital gowns, over the counter drugs, hair and nail hygiene services (other than Beauty Shop fees), bathing, and basic personal laundry.

3. **Non-Covered Services.**

- a. Medicaid is a cost-sharing program. Resident's monthly income must be contributed to the cost of his or her care. Medicaid determines how much of the Resident's monthly income must be paid to the Facility (also called "patient liability"). To the extent permitted by law, Resident's monthly Social Security and pension funds, minus the personal allowance retained by Resident (or other allowance as set by law), will be paid to Facility.
- b. Resident and/or Representative may purchase from Facility certain miscellaneous products and services that are not covered by Medicaid. An itemized list of fees for these additional products and services is available in the Admissions Office and may be reviewed by Resident and/or Representative upon request during normal business hours of the Admissions Office.

4. **Assignment of Benefits.** In consideration for services rendered by Facility to Resident, Resident and/or Representative hereby assigns to Facility, Resident's right to reimbursement from Medicaid for services rendered by Facility and authorizes Facility to receive payments from Medicaid pursuant to this assignment. - b. Fees for certain products and services that are more expensive than the products and services covered under the Medicare program (e.g., a private room), as requested by a Resident and/or Representative.
