Dear Ms. Harrison:

We are in receipt of the letter from the Court regarding issues with the videos submitted as exhibits. Please see the included CD with the videos along with the video player. The video player will need to be extracted and the videos dragged into the player one by one to view. Should you have any issues with the videos, please do not hesitate to give me a call and I will be happy to help you view the videos. The videos can be a little tricky to get to play.

Very truly yours,
