vs.

South Carolina Department of Health and Environmental Control
and Roper Pond, LLC, Respondents.

MOTION FOR EXTENSION OF TIME

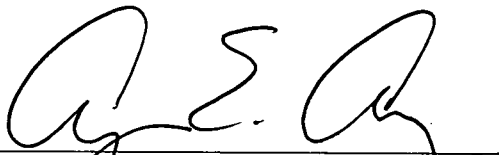

TO: ALL PARTIES AND THE SUPREME COURT:

PLEASE TAKE NOTICE that the Petitioners hereby move the Supreme Court for an Order extending their time for filing a Reply to the Respondents' returns to Petition for a Writ of Certiorari. The Reply is currently due September 23, 2013, and the Petitioners request an extension of fifteen (15) days, until October 8, 2013. The basis of this motion is as follows:

Appellate Court Rule 242(g) provides a short 10-day turnaround for the Petitioners' to reply to the Respondents' returns. The Respondents mailed their returns on Wednesday, September 11,

but the documents were not received in undersigned's office until Monday, September 16. The Petitioners were therefore left with only one week to craft a reply to separate returns from each Respondent. The returns have very little duplication, presenting forty-two (42) pages of material requiring a response. During that week, both of the Petitioners' attorneys attended a long-standing, out-of-town meeting from September 19-21, leaving them with insufficient time to adequately research and draft the Reply. Normally the Petitioners would only seek a ten (10) day extension, but counsel is arguing a case before this Court on October 3, which would be the tenth day, therefore Petitioner are seeking an extension of fifteen (15) days.

WHEREFORE, the Petitioners request that the Supreme Court enter an order extending the time for filing their Reply in support of Petition for a Writ of Certiorari until October 8, 2013.
