Dear Emily:

Attached please find a revised Motion to Dismiss. After reviewing the stamped copies we received yesterday, I realized that the first page of the motion did not have the appellate case number, the exhibits were out of order and were not marked, and the proof of service was not signed.

These errors have been corrected. For the Proof of Service, my paralegal signed the same document, but dated it today. No other changes were made. Please let me know if this can be substituted, or if there is further action we need to take.

Thank you,  
Bernie Ellis
