SC Court of Appeals

I LASHAWN McNeill is filing a motion to stay for the following.

- 1- I was not aware of the court date for bond hearing which caused my Appeal filed in Horry County to be dismissed
- 2- the Surfside Magistrate court says they sent an email but it did not it bounced back and that they tried to call but did not speak to me.
- 3- The original Appeal was because when ~~the~~ E and K properties first filed for eviction I did not owe them any money. Yet the paper said I owed E+K properties over \$3,000.
