Re: Deutsche Bank v. Laura Toney, et al  
Case No. 2007-CP-38-807  
Appellate Case No. 2011-191107  
File No. F27-02370

Dear Sir or Madam:

I am in receipt of the Appellant's latest Amended Record on Appeal. The index included the record is defective in that it does not correctly cite the appropriate page number for many of the included documents. By way of example, the record's index states that the transcript from the August 27, 2008 hearing commences on page 170. Although the initial pages from that hearing are on page 170, several pages from the hearing are presented out of order starting on page 165. Additionally, the appellant misstated the date of filing of several documents. I have reviewed the record and prepared a corrected index that cites the correct page and date for the documents. I have enclosed a copy so that it may be of assistance to the Court in referencing the Amended Record on Appeal.

Your attention in this matter is very much appreciated.

Very truly yours,

  
H. Guyton Murrell
