Re: State v. Shellie Lavette Davis, Appellate Case No. 2018-000366

Dear Ms. Kitchings:

By order dated January 24, 2025, the Honorable Walton J. McLeod completed the remand on Appellant's status as an abused spouse. As this order contains findings of fact, it is subject to the ten-day period for motion to reconsider. That period will expire for all parties within the next week (appellate received a copy of the order by mail on January 29, 2025, via mail as well as an electronic copy on January 28, 2025). Any motion to reconsider would be due no later than February 7, 2025. The transcript from the hearing has already been received. Upon expiration of the motion to reconsider period, if a motion is not filed, and out of an abundance of caution, appellate will file a new notice of appeal returning this matter to this Court.

Respectfully,
