NOW COME Respondents/Appellants, Poly-Med, Inc., Technology Drive 51, LLC, Technology Drive 52, LLC, PMI Properties, LLC (collectively, “Respondents/Appellants”), by and through their undersigned counsel, pursuant to Rule 263(b), SCACR, and hereby move for an extension of thirty (30) days’ time to file/serve their initial appellants’ brief and corresponding designation of matter to be included in the record on appeal.

Presently, the deadline for Respondents/Appellants’ initial appellants’ brief and designation of matter is Monday, February 10, 2025. On account of work-related and other time commitments, Respondents/Appellants respectfully request that this deadline be extended by 30 days. Respectfully, Respondents/Appellants believe this relief is consistent with the interests of justice and will not work any undue prejudice upon Appellant/Respondent, Research Park, LLC (“Research Park”).¹

WHEREFORE, Respondents/Appellants move this Honorable Court to grant them an extension of 30 days’ time to file/serve their initial appellants’ brief and corresponding designation of matter to be included in the record on appeal. With the extension requested herein, the new deadline for filing/serving their initial appellants’ brief and designation of matter would be March 12, 2025, according to the undersigned’s calculations. Further, Respondents/Appellants respectfully request that the Court hold the present deadline in abeyance until it acts upon this motion.

<SIGNED ON THE FOLLOWING PAGE>

¹ In this regard, Respondents/Appellants would note that Research Park has also moved for an extension of the February 10, 2025, deadline with respect to its own initial appellant’s brief, and Respondents/Appellants would confirm that they have **no objection** to Research Park’s motion.

Respectfully submitted,
