Dear Ma'am or Sir-

I was cc'd on a letter on January 21, 2025 informing the appealing party that the time to order transcripts had expired and that they (appealing party) were given 10 additional day to complete before this case would be dismissed.

After talking with the case manager, I was informed your office would wait 5 days past that extended due date to see the proof of ordering transcripts arrived.

All those days (including the extra 5 in case mail was slow) have past and I wanted to see if this case has been or will be dismissed or evaluated to be dismissed.

Will someone from your office please let me know at your earliest convenience if I understood that information correctly and if this case has been dismissed?

Respectfully,
Darin Short
