MOTION FOR EXTENSION OF TIME TO FILE FINAL BRIEF
FOR RESPONDENT DAVID VREELAND KING

AND NOW, coms Respondent, David Vreeland King, by and through his undersigned counsel, who hereby respectfully requests an extension of time to file Respondent's Final Brief, and in support thereof, avers as follows.

1. Appellant filed her final Brief and Record on Appeal with the Parties on January 28, 2025.
2. In accordance with SCRAP Rule 211, it was understood by the Respondent King that final briefs would be due within twenty (20) days after service of the Record on Appeal, or on or before February 18, 2025.

3. If Respondent's Final Brief was not timely filed, the error was inadvertent and due to a calendaring error with respect to the receipt of prior filings. There was no intention on the part of Respondent King to delay these proceedings. It is respectfully requested that the Court grant an extension of time for the filing of the final brief of Respondent David V. King, such that the said final brief of Respondent King shall be due on February 18, 2025 (the date Respondent's counsel had calendared), or February 7, 2025 (the actual date of filing), or such other date as the Court may deem appropriate, such that the filing of Respondent's Final Brief on Friday, February 7, 2025, shall be considered timely.
4. This Motion is made in good faith, and is not sought for the purpose of delay, but so that justice may properly be served in this matter.

Respectfully submitted,
