Appellate Case No. 2022-001591

ORDER

On October 15, 2024, this court dismissed this appeal because Appellants failed to serve and file a corrected appellants' initial brief, proof of service for the appellants' initial brief, and proof of service for the designation of matter as required by Rules 208 and 209 of the South Carolina Appellate Court Rules.¹ On December 31, 2024, Appellants filed a petition for rehearing. After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.

J.

¹ This court sent letters to Appellants on June 25, 2024, and September 24, 2024, detailing the deficiencies in Appellants' filings and allowing Appellants an opportunity to cure those deficiencies.
