

The South Carolina Court of Appeals

Forum Benefits, LLC, Appellant,

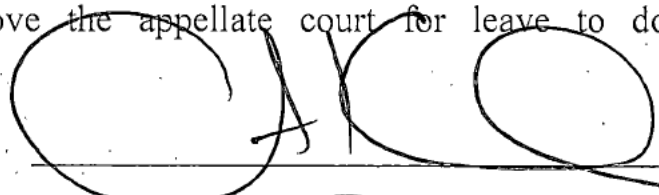

v.

Brian Bannon and Assured Partners, NL, Respondents.

Appellate Case No. 2022-000231

ORDER

On May 27, 2022, Appellant filed its designation of matter to be included in the record on appeal that included portions of the trial transcript but omitted pages 603–09. Respondents did not file a designation of matter to be included in the record on appeal. On December 11, 2024, following oral argument, this court issued its opinion on this matter. On January 27, 2025, Respondents filed a motion to amend the record on appeal seeking to add pages 603–09 of the trial transcript. After careful consideration, Respondents' motion is denied as untimely. *See* Rule 210(c), SCACR ("The Record on Appeal shall include all matter designated to be included by any party under Rule 209"); Rule 210(h), SCACR ("[T]he appellate court will not consider any fact which does not appear in the Record on Appeal."); Rule 212(b), SCACR ("With the written consent of all attorneys of record, a party may supplement the Record on Appeal at any time before argument commences. Without such consent or after argument commences, a party desiring to supplement the Record on Appeal must move the appellate court for leave to do so.").
