

The South Carolina Court of Appeals

Daniel Palmer, Appellant,

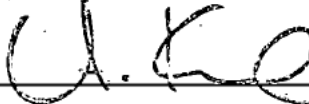

v.

Pickens County, Ken Roper, and Jamie Burns,
Respondents.

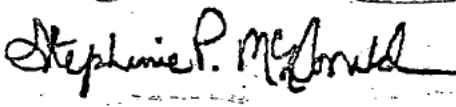

Appellate Case No. 2024-000884

ORDER

On October 15, 2024, this court dismissed this appeal because Appellant failed to provide a proper proof of service for the notice of appeal. Appellant filed a petition for rehearing on October 23, 2024. After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
