APPEAL FROM
Administrative Law Court

The Honorable Deborah Brooks Durden, Administrative Law Judge

Case No: 12-ALJ-17-0126-CC

69927

Mitul Enterprises, L.P.....Appellant,

vs.

Beaufort County Assessor.....Respondent.

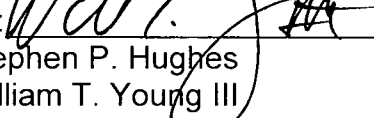

RESPONDENT'S MOTION TO SUPPLEMENT RECORD ON APPEAL

The Respondent, Beaufort County Assessor, respectfully requests that this Court allow the Assessor to Supplement the Record on Appeal in the above-referenced matter. The basis for the within motion is that the Assessor inadvertently omitted two documents from its Designation of Matter to be Included in the Record on Appeal, which was discovered upon a review of the Record on Appeal provided by the Appellant. The documents to be included are included within the Supplemental Designation of Matter enclosed herewith. These documents are discussed within the Initial Brief of the Respondent, and a Supplemental Record on Appeal would allow the Assessor the ability to correct its oversight. Moreover, the inclusion of these documents would aid this Court in

deciding the matters raised on appeal. Finally, the undersigned has consulted with opposing counsel, who consents to the supplementation of the Record on Appeal.

The Assessor further requests that the time for filing Final Briefs be held in abeyance until this Motion is resolved. If the within Motion is granted, the Assessor will prepare the Supplemental Record on Appeal and forward to the Court with the Final Brief of the Respondent.
