

Can you please dismiss my Certiorari case?

I do not want to get more time because the State wants to retaliate against me. They already tried to reinstate a charge that they never filed and said that they are going to bring it back it never saw the grand jury 5 years ago? Dismiss my Certiorari please! I'm at a Level one now I don't want to get any more time.

I'd rather the State or Supreme Court file if they want to do it. They know that the law changed and that the Docket's from all over the State during 2020 have to be revisited because of change in law. Are they going to fix that. They can start with mine But I don't want a retrial? Give me the same deal I'll consider
