Re: Jamaques Salley v. State, Appellate Case No. 2024-001320

Dear Ms. Kitchings:

The petition for writ of certiorari and appendix in the above titled case are due to be served and filed with this Court today, February 12, 2025. In preparing the appendix, I discovered that a hearing was held October 5, 2021, over three years after the original PCR hearing and that transcript has never been ordered. Pursuant to the attached email, a request for the missing transcript has been placed. This is a request for the time limits to be held in abeyance pending receipt of the missing transcript. Appellant has to date requested one extension of time to file the petition for writ of certiorari and appendix.

I am available should any questions arise in connection with this matter or if any additional information is needed.

Sincerely,

Jessica M. Saxon
Appellate Defender
