SC Court of Appeals

To Whom It MAY CONCERN:

My name is Robert DeJesus
my case # is 2019-A0710300038 OR 195011603
I have an old case from 2018. I went
to court for the charge 3rd Degree Sexual
Conduct on a minor. My ~~trial~~ trial started
Oct 28, 2024. I went to trial and was
found Guilty which I am not. I feel like
the JUDGE and the PROSECUTOR have something
going on because EVERY time my lawyer
asked for a motion they denied it which didn't
seem fair to me. I have explained that
I was not Guilty of this crime multiple
times since my arrest in 2018. From day
one of my arrest I told police I was
being set up by the accuser mother.
I was asked to take polygraph test
which I never received. Also the PROSECUTOR
hide certain information from the
jury by not showing the whole video
of the accuser's interview which what
was shown is a lie. I am an innocent
man. I've never ever laid down or touched
the accuser NO where. The state never
did their job by not following up with
information that I told them. Since day
one my alibi and whereabouts never
changed. The accuser story changed
3x she a liar and covering up for her
mom from having an affair with Uncle

Nephew

and she got caught up she is using the accuser for deception which the accuser will do whatever the mom say, Please can my case be recalled. I have a large family that is supporting me through this nightmare

I can't leave my wife and kids for 7yrs. for something I didn't do.

My family means everything to me as I am a family man. I will be missing out on my 3 youngest daughters grow up their ages are, 5, 10, 14.

This is very embarrassing for me and my family. My wife and kids took it so hard. I need to come back to court so all the evidence can be presented. Also the prosecutor denied for my witness to come forward. I would like to take a polygraph test to prove my innocence. The accuser mother took the stand and stated I was with her the night of the incident. Also I didn't pick my jury the public defense did Robert DeJesus
