Good afternoon.

This is to update the court on the transcript. I emailed a transcript request form today to transcripts@sccourts.org. The trial of the case was via WebEx and that is listed as the court reporter. I will send the filing fee for my motion and upload the motion tomorrow late afternoon. Attached is the email and request form that I sent. As this was a WebEdx and the request goes to court administration, do I need to send a copy to court administration as well?
