SC Court of Appeals

Motion for Waiver

CASE NO: 2024-CP-40-05145

To whom it may concern,

My name is Hazel Robinson, I am single mother of five children, a person in recovery, and decided to devote my life to helping those who struggle with addiction. Although, I have recovered, my hopes and dreams of repairing the broken hearts of my children has slowly transformed into a distressing experience when I faithfully accepted the terms of the property and land at 232 Lateesha Rd in Hopkins, SC with my eldest son, Omarr Robinson, and his wife, Mercedes.

My son forced me off the property, failed to fulfill his shared responsibilities, and left me to deal with this court proceedings while I struggle to make ends meet. Also, Piney Heights and their representative offered me some compassion for transferring the deed in my son's name to spare me the humiliation of destroying my credit, and my good social standing that I worked so hard to obtain.

I'm asking for a waiver to file this appeal due to my financial hardships, so I can hopefully regain ownership of the property, and make good on my promise to pay off this substantial debt before my home is auctioned to the highest bidder.

Thank you,

Hazel Robinson
