Re: **Ex Parte: Douglas N. Truslow (Desa Ballard)**  
**Appellant Case No. 2013-001461, Our file 12-139**

Dear Ms. Kitchings:

One of the Respondents in this matter has filed a motion to strike a certain designation from the record, and both Respondents have raised questions regarding materials pertinent to other designations. We are in discussions about the contents of the designations. I would certainly agree that the time for the filing Respondents' briefs and designations be held in abeyance while these discussions are taking place. Since there is a motion to strike pending, my consent may not be necessary, but I did want to advise the Court of the discussions regarding the record and my agreement to any stay or extension for Respondents.

If you have any questions, please do not hesitate to contact this office.

With kind regards, I am

Very truly yours,

  
Ariail E. King
