Re: Interstate Towing v. Alieo Garga-Richardson
Appellate Case No. 2013-001282

Dear Mrs. Allen,

Pardon this delay in responding to your letter dated September 3rd, 2013 regarding notification of the status regarding the transcript in this case.

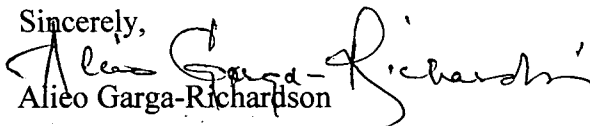

I received the Transcript from Mrs. Wanda Nelson. I don't remember the exact date that I received it, but it bears a postal stamp showing that it was posted on August 22nd, 2013.

I would be mailing my initial brief in this matter within the time frame allowed by the South Carolina Appellate Court Rules.

I am sorry for the delay in notifying you as I thought Mrs. Nelson would have done the notification.

With Kindest Regards,

Sincerely,

Alieo Garga-Richardson
