THE STATE OF SOUTH CAROLINA

In the Court of Appeal

APPEAL FROM CHARLESTON COUNTY

Court of Common Pleas

Judge Jennifer McCoy, Circuit Court Judge

Number 2019 – C.P – 10 – 06647

Motion to extend brief for 35 days

George S. Jenkins, pro se

Appellant

v

Florence Heyward Davis

respondent,

I George S. Jenkins, come before the court action to court for an extension of 35 days to complete and submit the brief to the appellate court. I have diligently tried to complete the brief in the time allotted by the appellate court. However, I have not been able to complete the research and to prepare the brief to date. I have travel from Charleston, South Carolina to Columbia, South Carolina to the law library in order to be able to do the research needed pro se and in addition to the traveling that has been required for me. I have a medical condition that led to two emergency room visits. I am scheduled for an MRI scan on February 15 at 10:00 AM at Ralph H. Johnson VA Medical Center. The MRI is to determine whether I had a mild stroke are the problem is with my blood pressure or diabetes that is giving me the constant headache and lightheadedness.

I pray that the court would allow me the extended time to have the VA hospital to make a determination and gives me the necessary treatment in order that I may have the relief from the condition and the and anxiety of knowing why I am experiencing the medical symptoms
