Objection to the record of  
transcript

Appellate case no.  
2024-001144

Introduction

Now into the Court comes petitioner in accordance with the South Carolina Appellate Court Rule: 607

Petitioner object's to the transcripts failure to accurately reflect the constitutional violations raised before the court as well as the context in which the testimony was presented to court. Petitioner raised the following claims: 1) Brady Violation; 2) witness coercion; 3) Due Process procedural and substantive; 4) Fraud upon the Court, "extrinsic" 5) Prosecutor misconduct, denied access to the court.

This action was brough based upon petition filed on March 21, 2011 titled 60 b all "indepent Action" fraud upon the court, in this context. Not as the record of transcript provided indicate. Also petitioner object's to his dialogue presented through out the transcript, as inaccurate and misconstrued.

Further the transcript inaccurately labeled applicant's exhibits provided to the court!

Applicant is requesting a complete and accurate copy of the transcript also i'm requesting a copy of the hearing tape!!
