Re: *Edward P. Trimmier, DMD v. SC Dept. LLR, Board of Dentistry*  
Case No: 2012-212267

Dear Mr. Shearouse:

We have been retained by Appellant Dr. Trimmier regarding petitioning the Supreme Court for certiorari in the referenced matter. The Court of Appeals denied the petition for reconsideration on August 27, 2013, and based on receipt of the order, Dr. Trimmier is informed and believes that the petition would be due for filing on October 1, 2013. (Rule 242(c), SCACR).

My office has been communicating with Dr. Trimmier's prior counsel, Mr. de Holczer, about filing a notice of substitution of counsel, as required by Rule 264, SCACR, and about obtaining a copy of his file materials from the lower courts' proceedings so a full appendix can be developed.

Therefore, pursuant to Rule 240, SCACR, we move for a two-week extension of time by which to file the petition for review in the referenced matter. We have enclosed herewith a check for \$25.00 to cover the filing fee. If you require a more formal pleading or additional information, please let me know.

With warm personal regards, I am,

Sincerely yours,
