Hello All

I have reached out to legal Eagle on Feb 18th or so the court reporter company on the status of my transcripts.I didn't receive a call back or email .

I will contact legal Eagle next week on the status of the transcripts.I know from my respond on 1/25/25 they were processing the transcripts.

I also contacted the court of appeals this week ,which is on record as a response to the letter I received from the court of appeals on Feb 17th 2025 .

Regards Richard Smith
