Appellate Case # 2025-000216

Erian Jerod Williams Respondent

v.

Andria Bucknor Appellant

Motion to Recall Remitter

I originally filed the Notice of an appeal on January 17, 2025 which was not clocked in at that time. When I did the document for February 4, 2025 I just resubmitted the missing document along with a motion asking the court to add in missing documents which was the notice of appeal. Please take this into consideration.
