SC Court of Appeals

To The South Carolina Court Of Appeals,
Appellate Case No. 2025-000186

I am writing this letter regarding the decision made on February 27, 2025. I filed on February 3, 2025, and would like to understand why my request to proceed in forma pauperis was denied. I have stage 4 bone cancer and prostate cancer which I may not even be alive when the court date comes to. I am currently unwell and do not yet receive disability benefits. I am seeking information on any available assistance. If I were able to work, I would gladly pay for it, but at this time, I am relying on financial support from family and friends to manage my expenses. Thank you for everything you do and have done so far. Please let me know if there is anything that you can do to help me out.

Thank you,

Jonathan Craig
