

The South Carolina Court of Appeals

Jessica Golston, Appellant,

v.

Garden Lakes LP, Respondent.

Appellate Case No. 2024-002092

ORDER

On February 19, 2025, the circuit court lifted its stay of its order dismissing Appellant's appeal from a magistrate's order to vacate because Appellant did not comply with the terms of the circuit court's January 21, 2025 order, which established the stay and set a bond. On February 20, 2025, the magistrate issued a writ of ejectment, and the Richland County Sheriff's Office informed Appellant that she must move out by February 25, 2025. On February 25, 2025, Appellant filed a motion to stay in this court, asking that she not be evicted. After careful consideration, we deny Appellant's motion to stay.
