

The Supreme Court of South Carolina

The State, Respondent,

v.

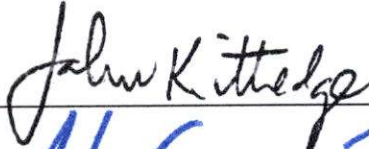

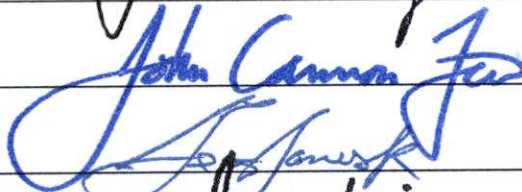

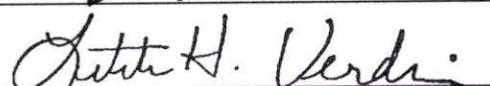

Brad Keith Sigmon, Petitioner.

Appellate Case No. 2025-000187

ORDER

Sigmon moves for this Court to reconsider its March 4, 2025, order denying his motion to seal the Marion Bowman autopsy report (Exhibit 8), which Sigmon attached to his previous motion for reconsideration. In the alternative, Sigmon requests that he be permitted to file the autopsy report with personal identifying and private health information redacted.

Finding nothing that changes our conclusion from the March 4, 2025, order, we deny the motion for reconsideration.
