I am in receipt of your letter dated February 20, 2025, informing Respondent and Appellant that "a need exists for one (1) bound copy of the record on appeal and all final briefs." While Appellant has provided this court with his unbound final brief, he is unable to provide this court with the record on appeal as the Respondent never served him with a copy of the record on appeal during the proceedings in the administrative law court.

Also, being that Appellant is an inmate in the Department of corrections and proceeding pro se, he has no means to provide this court with a bound copy of his final brief or the record on appeal. He therefore, request that he be excused from complying with this mandate.

Respectfully submitted
