Tammie and Della,

This transcript is near completion. I spoke with transcriber on Monday, and she indicates it will be done Wednesday evening. I will stay on her with the goal of getting it to you before the week is out.

Please note, a couple things have significantly slowed this transcript down. First, this looks to be a very long transcript compared to normal with a high speech rate (people speaking quickly). Second, the attorneys throughout the transcript talk over the top of each other. This is causing the transcriber to go over portions several times to determine the speakers and content.

We apologize for the delay and are working to get this to you asap. Thank you for your patience.
