

The South Carolina Court of Appeals

The State, Respondent,

v.

Steven Frantz, Appellant.

Appellate Case No. 2023-000790

ORDER

On October 7, 2024, Respondent filed its designation of matter to be included in the record on appeal and included a transcript of a hearing dated June 4, 2019. On January 28, 2025, Respondent moved to amend its designation of matter to change the date of the hearing transcript from June 4, 2019, to April 20, 2023, explaining Respondent erroneously typed the date of the hearing. Respondent conditionally filed an amended designation of matter. No return was filed. After careful consideration, we grant Respondent's motion to amend its designation of matter and accept the conditionally-filed designation of matter.

On January 8, 2025, Appellant filed the record on appeal. On January 28, 2025, Respondent filed a motion to strike the record on appeal and require filing of an amended record on appeal. Respondent argued Appellant included matters not designated and failed to include matter designated by Respondent in the record on appeal. Appellant filed a return. After careful consideration, we grant Respondent's motion to strike the record on appeal filed on January 8, 2025. Further, we grant Respondent's motion to require Appellant to serve and file an amended record on appeal. Within twenty days of the date of this order, Appellant shall serve and file an amended record on appeal that complies with Rule 210 of the South Carolina Appellate Court Rules. Failure to comply will result in dismissal of the appeal.
