Re: J. Doe v. SC Medical Malpractice Association
Appellate Case No. 2025-000339

Dear Counsel:

Upon reviewing your notice of appeal, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and each deficiency must be corrected within ten (10) days of the date of this letter or this appeal will be dismissed. This is the Court's second request for these corrections:

- The orders challenged on the notice of appeal are not complete. You must provide complete copies containing the signature of the lower court judge.
- The notice of appeal fails to include a statement of when you received written notice of entry of the January 13, 2025 order from which this appeal is taken.

Very truly yours,

A handwritten signature in blue ink that reads "Jenny A. Kitchings".

CLERK
