Re: Sharon A. Brown, Appellant vs. Cherokee County School District One, Respondent.
Docket No. 2017- CP-11-00735
Appellate Case No: 2022-001582

March 3, 2025

Dear Clerk of Court,

Our South Court of Appeals does not include Judge Perry Gravely's name in the caption of the case on appeal. I'm requesting that his name appear on the cover page of the briefs and record on appeal. Judge Gravely presided over the jury trial that is before this court. I have included his name as well as the respondent district on the initial briefs.

There is no court order from Judge Gravely ending the case. However, there is a jury verdict that ended the case that was submitted to the Court when Appellant filed her appeal. I spoke with Cherokee County Clerk of Court, Ms. Brandy W. McBee, recently. Ms. McBee stated that the jury verdict ended the case and there was no order ending the case submitted by Judge Gravely. Additionally, Ms. McBee said if this Court needs any information concerning this matter, to give her a call. Further, Ms. McBee said this information is online and sometimes cases end with no court order from the presiding judge.

Please feel free to contact me if you have any questions.

Respectfully Submitted,

s/Sharon Brown
