Patricia A. Howard, Clerk of Court
South Carolina Supreme Court
1231 Gervais Street
Columbia, S.C. 29201

Re: Dr. Scott F. Duncan, M.D., Petitioner v. OrthoSC, LLC, a South Carolina limited liability company, and Dr. Gene M. Massey, M.D., Respondents
Appellate Case No. 2024-000808

Dear Ms. Howard:

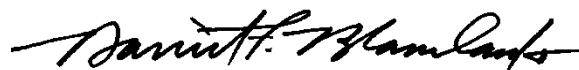

In accordance with the Court's letter dated March 5, 2025, please find enclosed for filing the Petitioner's Memorandum Addressing Issue of Mootness along with Exhibits 1 through 14 and the Proof of Service. We would greatly appreciate your filing these on our behalf and returning date-stamped copies to us.

Additionally, we note the Court's letter did not specifically address the timing for the parties to submit their respective briefs involving the merits of the appeal. In view of the Court's directive for the parties to address the mootness issue upfront, we would respectfully request that the Court hold in abeyance the respective deadlines for the parties to file their briefs on the merits until such time as the Court has issued its decision on the mootness issue. Of course, please let us know if this is not acceptable to the Court or the Court has any questions regarding the above.

We thank you for your assistance in this matter. With best regards, I am

Sincerely,

ROSEN HAGOOD, LLC
