S.C. SUPREME COURT

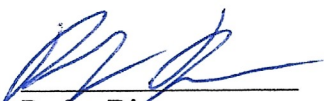

CORRECTION TO NOTICE OF ERRATA

Respondents previously filed a Notice of Errata and now would like to correct that notice and add an additional correction due to a scrivener's error in the filing.

The original citation of statute 27-40-210(10) should correctly read 27-40-210(12) as it relates to the "rental agreement". This correction clarifies the intended statutory reference relevant to the argument in section "Rental Agreement Without Rent" in the argument section. " This conflicts with the statute and the definition of "rental agreement."

This correction does not alter the substantive arguments presented in the original filings.
