Re: Sarah J. Plant v. IMI Fabi (Diana), LLC  
Appellate Case No. 2024-001997  
Report on Status of Transcripts and Request for Briefing Extension

Dear Ms. Kitchings:

In response to the Court's letter of March 6, 2025, the Appellants respectfully report that they have received all transcripts necessary for this appeal, as stated in their Notice of Appeal.

Because of the activity that has occurred with this matter on appeal, the Appellants are presently uncertain of when the Court considers their initial opening brief and designation of matter to be due. To remove any potential confusion, Appellants submit that these should be due on April 4, 2025, which is 30 days from the date in which the Court reinstated this appeal.

Additionally, due to counsel's pending caseload, including trial preparations for a matter in federal court in Charleston, the Appellants respectfully request an extension of this deadline by 30 days. If the Court finds the above agreeable, the Appellants' new deadline to file their initial opening brief and designation of matter would be May 5, 2025. A check for the filing fee associated with this motion for a 30-day extension will be sent under separate cover within five days.

As always, we appreciate the Court's consideration of the above. With kind regards, I remain

Very truly yours,

/s/ M. Todd Carroll
