RE: Bernard Bagley, #175851 v. Palmetto Richland Hospital Prisma
Appellate Case No. 2025-000378

Dear Madam Harrison:

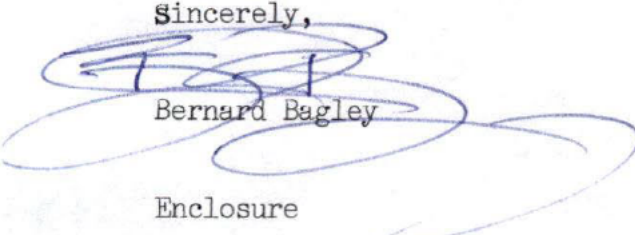

Enclosed for filing is the Proof of Service for the Motion ^{and Affidavit} to Proceed In Forma Pauperis.

Please note that I just received your letter dated March 4, 2025, today. Your findings will show that the mailroom services has some problems here with the mailroom officials Ms. Chambers, and Ms. Robinson, SCDC Mailroom Coordinator. I see that you did not received my documents regarding this matter until 2/26/25, whereby the documents were submitted and supposedly mailed on February 18, 2025, the same date Ms. Robinson notarized the Motion and affidavit to Proceed In Forma Pauperis.

Also, I am being forced by Ms. Amason, the photocopy personel to retype my documents because they are typed and she said if I generate the documents they cannot be photocopy. If you may, please provide an order from the court to authorize me photocopies in this case before the court regarding this matter. I have a well documented medical condition that affects my upper extremities to retype documents in this matter. I'm not asking for free photocopies, just an authorization to photocopy in this matter before the courts.

Thank you for your consideration and time. In addition, I respectfully request for a psychological damage professional and attorney to demonstrate economical and non-economical losses in the above captioned case.

Sincerely,

Bernard Bagley

Enclosure
