Good Morning Tiffany,

I wanted to check on the status of Mr. Samuel's case. I see on C-track where we notified the Court that we ordered 7 additional pre-trial transcripts on 3/3/25, but it doesn't appear that we sent with an official request to hold the case in abeyance. Should I file a formal motion for abeyance? Or is the proof of the ordered transcripts enough to stop the timeline from running? We had filed an initial extension in the case before discovering that there were numerous pre-trial transcripts that we had not been informed about, and I'd be due to file a second extension today but for the fact that we need these outstanding transcripts. I just want to make sure I'm not letting anything fall through the cracks. Please let me know the best way to proceed forward.

Thank you!!

Kindest Regards,

Jessica M. Saxon
