RE: *Emad Tadros, M.D. v. Holder Properties, Inc.*
Appellate Case No.: 2022-001434
Our File No.: 4000-0007

Dear Judge Daniel Coble:

I represent the Plaintiff regarding the above-referenced matter. I am writing pursuant to SCACR Rule 601 relating to conflicts between courts for attorneys. A Motion for Reconstruction of the Record Hearing in the above matter is currently scheduled before you on April 8, 2025, beginning at 2:00 pm.

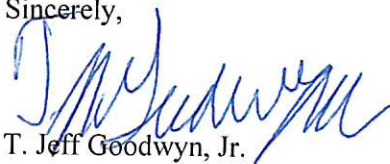

I am currently scheduled for a 3-4 day Jury Trial for the week of April 7, 2025, in the Kershaw County Court of General Sessions before Judge Alex Kinlaw.

Pursuant to Rule 601 regarding hearing conflicts, I propose that this case be continued as counsel for the Plaintiff has a conflict due to a Jury Trial. I will file a formal motion for continuance should the Judge require me to do so, but will refrain if the case is continued due to this conflict.

Please accept our apologies for the delayed response. On March 10, 2025, a letter of conflict was submitted to Judge McGee. We were then informed by Judge McGee's chambers that the letter should be directed to you, in your capacity as Chief Administrative Judge.

Thank you for your consideration and should you have any questions regarding this conflict, please do not hesitate to contact me.

Sincerely,

T. Jeff Goodwyn, Jr.
