SC Court of Appeals

Dear Clerk,

I am writing to address  
an issue. I have received  
over 10 letters saying I needed  
to fix something for over a year  
on Feb 3, 2025, I received a  
letter saying all I needed to  
do was show proof of service  
with Respondent's address, which I  
sent on Feb 12, 2025. I have  
continued to send my Final  
Brief and have a debit form  
where I paid postage each  
time I have mailed this  
to your office which has  
been 5 times. I have  
all your letters and copies of  
each time I have followed

(1)

your instructions and each time  
I received another letter saying  
I did something wrong. Finally,  
the letter on Feb 3, 2025  
said all I needed to do  
was add the Reparat's address  
to my proof of services which  
I did and mailed on Feb 12,  
2025, which I have a receipt  
from the mailbox for postage.  
Now again you saying you did  
not receive.

So, I am informing you that I  
am writing with proof I filed  
over and over for a year with  
each letter you sent. I am  
addressing the Chief Justice  
regarding your office being  
biased in favor of L.C.D.C.  
when I have done everything  
to comply.

Thank you for your  
time in this matter.

Respectfully,

Bob Bourn

Final Brief of Appellant

---

March 17, 2025

---

1.) Now comes the Appellant, Nicholas Boan, 302151, asking this Court to review the record on Appeal from the order from the Administrative Law Court.

2.) The Appellant ask this Court to review the laws and statutes

①

---

24-3-430 (D), no inmate participating in the program may earn less than prevailing wages for work of a similar nature in the private sector.

This statute is what governing my case. S.C.D.C. claims I worked for a [PIE], but under there contract with that company U.S. Textile Section 3.3 (3) no goods produced under this agreement shall be placed in Commerce in violation of law and statute, yet everything we packaged was sold in Commerce all over the world. We packaged for different countries, and states. Also the judge applied a statute that should not overrule other statutes and law.

3.) Also I ask this Court to review Jorrence v. S.C.D.C., which this Court stated that the South Carolina Supreme Court has already stated that the program at issue operated under Section 24-3-430, and Section

24-3-410 provides:

(A) It is unlawful to sell or offer for sale on the open market... articles or products manufactured or produced wholly or in part by inmates...

(B) The provisions of this section do not apply to...

products... produced by inmates of the department... employed in [PII], or [PIA] if the inmate worker participates voluntarily, receive comparable wages, and the work does not displace employed workers. If this court employed the S.C.D.C. Police in 2005, if an inmate refusing a job, he can be charged a disciplinary fee refusing to work. Also of this court reviews the contract with this Company nothing was supposed to be in Commerce, but we to be sold in. Therefore the contract was

broken buy selling on the open market, and also I was assigned this job buy the prison, where if I had refused I would be written up, so this was not voluntarily, and a violation of Section 24-3-410.

4) Therefore under the law and statutes I ask this court to review the Contract that also wasn't signed off on until after a year of me working under this company, so I should be paid in full because the contract didn't get signed until a year after I worked. I ask this court to award full wages, back pay, overtime, room and board, and full interest for all these years withheld.
