### Request For Order

In specifics, the Appellant is being ordered to provide the Administrative Law Court Order of dismissal's of the listed cases because during the period of these orders being rendered Appellant was transported/transferred to another Correctional Institution and these materials did not recover thereafter resulting in the lost of the order's and due to these extraordinary circumstances the Appellant respectfully covers all four corners at this moment to request the office of the General Counsel, to forward the Order of dismissals upon taken judicial notice that such nature of cases are required to be consolidation and will be elaborated at a later date, however, the need for the order of dismissals are required and such request.

is sought in this instant letter in response to the Court of Appeals order of obtaining the dismissals.

Therefore, the complex of the request is based on the State to provide, the said orders to the Court of Appeals, upon this notice, dated below.

Again, please accept this letter as an attempt to follow the March 3, 2025, court order requesting the order of dismissal, from the ALC because Appellant does not retain these documents.

Please forward the order of dismissal to: The South Carolina Court of Appeals, Post office Box 11629, Columbia, S.C 29211;
