Stephanie Hatton and Brandon Deubell, Appellants

To whom it may concern:

This email is to inform you and to ask for a motion to suspend and Remand based on the following attached Documents

We filed a Rule 60 (b) on March 21, 2025 based on New evidence found (see attached Documents Motion rule 60b, ,exhibits rule 60b, stephanie Hatton affidavit rule 60b, James Hatton affidavit Rule 60b.) The certificate of service is attached to the motion rule 60b. Respondents' Attorney was notified by the U.S. Mail. We are asking for a Motion to Suspend and Remand because we feel that certain Damages might not exist after the hearing of this Rule 60(b), and be Moot for Appeal if successful. The Motion to Suspend and Remand to the Circuit Court is attached as well with certificate of Service on the Respondent's Attorney Jay G. Anderson (see motion to suspend and remand affidavit service)

Thank You,

Stephanie Hatton s/ Stephanie Hatton
