Appellee-Defendants

MOTION TO REINSTATE

Pursuant to SCACR Rule **Rule 260**: If an appeal is dismissed, a motion to reinstate can be filed within 15 days of the dismissal order. The appellants Hannah J. Secka, individually and as parent and guardian for the minor. M.Y.S. move for a Motion to Reinstate our case from this Court's Order of March 13, 2025. The Appellant respectfully suggests that this Court overlooked and misapprehended two pivotal points in concluding that Appellant has not made arrangements for payment of the transcript.

Whenever it appears that an appellant or a petitioner has failed to comply with the requirements of these Rules, the clerk shall issue an order of dismissal, which shall have the same force and effect as an order of the appellate court. A case shall not be reinstated except by leave of the court, upon good cause shown, after notice to all parties. The clerk shall remit the case to the lower court or administrative tribunal in accordance with Rule 221 unless a motion to reinstate the appeal has been actually received by the court within fifteen (15) days of filing of the order of dismissal (the day of filing being excluded).
