APPEAL FROM CHARLESTON COUNTY
Court of Common Pleas

Bentley Price, Circuit Court Judge

Case No. 2023-001598

Karen Oliver

Appellant,

v.

Charleston County Housing and
Redevelopment Authority

Respondent,

Addendum 1 for the Appellant in Response to Respondent's Motion to Dismiss

Please see the two enclosed photo exhibits copies that shows the staffing shortage at the U.S. Postal Service location on Johns Island. The Appellant is not responsible for their shortage or the delay in any mail. Especially during the busiest time of the year- December 2024 both for the mail and travel. It continues even today. There's even signage at each service counter advertising for postal positions. Again, the Respondent are making an unreasonable and frivolous claim to the Court.
