Re: Avis Newton v. SCDEW  
Appellate Case No. 2013-001606

Dear Counsel:

The Court received your extension request to file the appellant's initial brief and designation of matter. Upon review of this case, the Court cannot determine the due date for the appellant's initial brief and designation of matter because you have failed to file the transcript information, if a transcript was ordered, as required by Rule 208 of the South Carolina Court of Appeals. Within ten days you must file a statement informing the Court when you received the transcript. Upon receipt of the statement, the Court will act on your extension request.

Very truly yours,

*V. Claire Allen, Deputy*
