

The South Carolina Court of Appeals

Ronald Tate, Appellant,

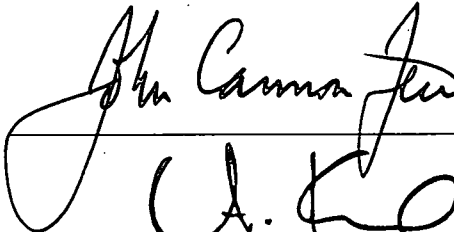

v.

South Carolina Department of Probation, Parole and
Pardon Services, Respondent.

Appellate Case No. 2013-001132

ORDER

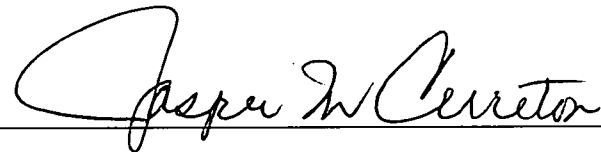

Appellant has filed what we have construed as a petition for rehearing from this Court's dismissal of his appeal for failing to pay the notice of appeal filing fee. After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
