ATTORNEY FOR APPELLANT

Appellant hereby moves pursuant to Rule 263(b), SCACR, for a 17-day extension of the time in which to serve and file the record on appeal. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. Appellant's counsel was unable to access one digital transcript (.pdf) sought for inclusion in this record on appeal. Counsel then worked with the court reporter and was eventually able to obtain the appropriate digital transcript today. It has been inserted into the record on appeal that is being filed with the Court contemporaneously with this motion.
2. On Monday, March 17, 2025, the undersigned counsel for Appellant received the Court's deficiency correspondence seeking service and filing of record on appeal within ten days.
3. The record on appeal is presently due today, Thursday, March 27, 2025. (It was originally due March 10, 2025.) If the request is granted, the record on appeal will be due today, Thursday, March 27, 2025.
4. This is the fourth extension Appellant has requested in this appeal.
5. Counsel for Respondent has been consulted and does not object to this proposed extension of time to serve the record on appeal.
6. The undersigned has served this document on opposing counsel by email to registered AIS email address on the date given below.

WHEREFORE Appellant prays for an order extending the time in which to serve and file the record on appeal in this appeal by 17 days, to today, Thursday, March 27, 2025.

March 27, 2025

Respectfully submitted,

/s/ Taylor Smith
