Good morning William.

I have searched our records for the above referenced hearing and we do not have this file. This was part of those recordings that were not saved on the digital recording equipment.

I am sorry for any inconvenience this may cause you.

Thank you,

Good afternoon Ms. Holmes,

I just wanted to ask about the status of a PCR transcript we recently ordered for William Caughman (4-11-2022) if possible. We requested the above-mentioned transcript on January 2, 2025 (request ID 1944859510) using the new transcript request portal, and I wanted to reach out and see if it was available since we have not been contacted by any court reporter. I know there has been trouble with recordings for hearings that week, and if it's not available, that's okay. We were just looking for confirmation either way on whether this one is available. Thank you for your help!

Best,
